PROFESSIONAL SUMMARY

Frontend and React Native developer with 2 years of experience building responsive web interfaces, cross-platform mobile apps and dashboards. Built ChefKart's customer app, internal dashboard and website; previously delivered 20+ client projects at PPCROY TECH SOLUTIONS. Strong design sense with React.js, React Native, Next.js, TypeScript and REST APIs. **Available to join immediately.**

TECHNICAL SKILLS

Languages & Frameworks: JavaScript (ES6+), TypeScript, React.js, React Native, Next.js, HTML5, CSS3, Bootstrap

UI Development: Responsive Design, Mobile-First UI, Figma to Code, Reusable Components, Interface Refinement

APIs & Services: REST APIs, Third-Party Integrations, Firebase, Supabase, Razorpay, MiniSearch

Tools & Practices: Git, GitHub, Redux Toolkit, Debugging, Performance Optimisation

CMS & Ecommerce: WordPress, Shopify, Webflow

PROFESSIONAL EXPERIENCE

ChefKart | Associate - Software Engineer | Dec 2025 - Oct 2026

Gurugram, India | *Onsite* | *Product-Based Company*

- Built responsive interfaces using React Native for the customer app, React.js for the internal dashboard, and React.js with Next.js for the customer website.
- Developed mobile flows for bookings, visit details, wallet, payments, refunds and cancellations.
- Built Book By Dish discovery, search, cart, pricing, coupons, booking summary and checkout flows.
- Integrated Razorpay Quick Buy and UPI Intent, payment-status verification and checkout handling.
- Improved internal dashboard usability, analytics tracking, frontend debugging and Android/iOS UI consistency.
- Received the Rewards & Recognition award in Technology & Engineering at the ChefKart Townhall (May 2026).

PPCROY TECH SOLUTIONS | Associate Full Stack Developer | Oct 2024 - Dec 2025

Remote | *Full-time* | *Service-Based Company*

- Delivered 20+ client projects across responsive websites, business interfaces and ecommerce experiences.
- Developed reusable web interfaces with React.js, JavaScript, HTML5 and CSS3, focused on clean responsive UI.
- Built client websites using WordPress, Shopify and Webflow, tailored to business goals and use cases.
- Translated design references and client requirements into polished web experiences across varied industries.

3rd Eye Lab | Associate Software Engineer Intern | Apr 2024 - Jun 2024

Hyderabad, India | *Onsite* | *Internship*

- Developed Levels App, a React Native quiz app with category-based questions and dynamic content loading.
- Completed the project ahead of schedule and delivered additional features beyond the initial requirements.
